

City of Newburgh Human Rights Commission

Thurs., Dec. 13 ~ 6:30pm
Newburgh Free Library ~
Auditorium

HOUSING IS A HUMAN RIGHT!

A keystone of this initiative is a Fair Housing presentation highlighting:

- ◇ Discrimination
- ◇ Your fair housing rights
- ◇ How to exercise your rights
- ◇ Tools and Resources to aid you with issues of fair housing

Please join the City of Newburgh Human Rights Commission and Calvary Presbyterian Church in collaboration with the Fair Housing Justice Center for a presentation in honor of Rev. Martin Luther King and the 50th anniversary of the passage of the federal Fair Housing Act.

The Fair Housing Justice Center has launched an initiative called Building the Beloved Community. This collaborative effort between fair housing advocates, religious leaders and communities will move us much closer to realizing Dr. King's vision of building the beloved community in our community and our region.

Learning more about fair housing issues and concerns can equip you to effectively act for change.
